**Dear WUKF Members,**

In Odessa we shall organize a new category that will increase the attractiveness of our championships. We shall call this category **“THE BEST OF THE BEST”**. It will be organized for kata and for kumite as well as follows:

- 1. KUMITE SHOBU SANBON:** the category will group the first 2 places (champion and vice-champion) from each senior category so there will be 10 competitors for male (-65kg up to +80kg), and 6 competitors for female (-55kg, -60kg and +60 kg) The Champion and the Vice Champion will receive a very nice trophy.
- 2. KATA MALE AND FEMALE:** the champion of each category (Shotokan, Goju Ryu, Shito Ryu, Wado Ryu, Shorin Ryu, Kyokushinkai, Rengokai (if will be available), so a maximum of 6 competitors (male and female) that will go into a final Tokui Kata (only one round). The Champion and the Vice-Champion will receive a very nice trophy.

The participation at these categories will be **NO FEES** of course and the winner will be entitled **“The Best of the Best”**.

In the last period we received lot of requests for organizing the category Kumite Rotation Teams for veterans also. The Executive Committee totally agrees this and will propose to organize this category for the first time in Odessa. We are sure that lot of teams will be registered into this very spectacular category. The veteran category will be free of age (+36 years) and weight of the competitors.

We are looking forward for your strong participation in Odessa.
