About

The World Union of Karate-Do Federations (WUKF) is delighted to announce the new WUKF European Tour. This new idea will create a ranking system for athletes where they can collect points based on results and become European Tour Champion at the end of the year.

The tour will be held under the auspices of the European Union of Karate-Do Federations (EUKF).

As this is the first year of the WUKF European Tour, we have preselected existing competitions to implement the ranking process. The tour will be reviewed at the end of 2020 with the opportunity for existing federations to host a WUKF European Tour event in 2021.

WUKF European Tour Commission

In order to organise and develop the tour moving forward, the European Tour Commission has been established to coordinate events and rankings. Commission members:

- Mr Essam Shreif, WUKF Referee Commission
- Mr Roy O’Kane, WUKF Public Relations Officer
- Mr Martin Jarabica, Advisor
- Mr Radu Munteanu, WUKF Events Director

“I am very excited about this development within our European federations and I’m sure the tour will grow to become an established feature of the WUKF/EUKF calendar. I would like to thank the commission for their hard work and wish all the athletes the very best of success. “

Dr Liviu Crisan, WUKF World President
