MESSAGE FROM THE PRESIDENT

Hervé PUVELAND – President of WUKF France

Dear competitors,
Dear club officials, instructors and martial arts enthusiasts,

WUKF France is delighted to welcome you to Ajaccio on 30 and 31 January 2027, at the Pascal Rossini Sports Complex, for the French Open in Karate-Do Kata and Kobudo.

This event is a special opportunity to meet, share experiences and compete in two disciplines that embody the fundamental values of martial arts: respect, discipline, self-control and personal achievement.

Open to children, teenagers, adults and veterans, this competition reflects our commitment to promoting karate that is accessible, inclusive and respectful of its traditions.

Holding this event in Corsica, a land of character and tradition, is also a wonderful opportunity to strengthen ties between our clubs and raise the profile of our disciplines.

I would like to warmly thank the Corsican WUKF League, the City of Ajaccio, the organisers, referees and all volunteers for their commitment and contribution to the success of this event.

I wish all competitors two days full of excitement, outstanding performances and sporting encounters.

May this French Open be a true celebration of Karate-Do, Kobudo and the values that unite us!

Welcome to Ajaccio, and best wishes to everyone for a successful competition!

Hervé PUVELAND
President of WUKF France
